

Indiana CTO Council

Annual Sponsorship Opportunities

Vendors and school service providers,

The Indiana CTO Council is seeking **annual sponsors** and event sponsors. Annual sponsors are provided several benefits and are recognized at several events throughout the year. Limited sponsorships are available.

The Indiana CTO Council is the official Indiana state chapter for the Consortium of School Networking (CoSN), the nation's premier voice for K-12 education leaders. The May conference is designed for the technology decision makers for each school district, resulting in a more targeted audience with approximately 100-150 attendees. In addition to the upcoming conference in May, the Indiana CTO Council partners with the Indiana Association of School Business Officials (IASBO) and Indiana Association of Public School Superintendents (IAPSS) to offer joint seminars and also hosts various social events and a wide range of benefits to its members throughout the year.
